Batter Up

PLAYER APPEAL

Challenge will test, with unlimited machine variations, "soft" buttons for precise player action — all the moves of real baseball.

ADVANCED DESIGN

Most innovative engineering yet evolved by Volly — modular design lets parts easy to remove modules mounted on slide and tray. P.C. boards are gold edged and mounted in unique reinforced laminar assembly for unmatched reliability.

SIMPLE TO PLAY

Numbers on screen seen through labeled windows, and instructions flash during play.

ONE OR TWO PLAYERS

20¢ or 50¢ per play. One player action features automatic outfielder movement.

DYNAMIC STYLING

High line cabinet and front glass — colourful stadium — plastic play field overlays make action.

Height: 68 1/2"
Width: 29 1/2"
